

STATEMENT: Eagle Glen Golf Club Covid-19 and Novel Coronavirus Readiness

As part of our commitment to the health and well-being of our Staff Members, Guests and the larger community, Eagle Glen Golf Club is carefully monitoring the Covid-19 and Novel Coronavirus developments closely. We are regularly in contact with health agencies for information and guidance and will continue to implement preventive measures in line with the recommendations and input from City, County and State government agencies.

The Eagle Glen Golf Club in recent weeks implemented enhanced cleaning procedures with an increased emphasis on public areas and are highly focused on our preparedness efforts to maintain a safe environment for our associates and guests. The following steps have been implemented and will remain in place until further notice:

- 1) Additional hand sanitizers have been installed throughout the clubhouse;
- 2) Increased frequency of cleaning and disinfection in high Guest-contact areas;
- 3) Continued training and updated information on good hygiene practices and illness prevention to our Staff Members.

We recognize this is a dynamic and fluid situation and are also in close communication with our vendors and business partners.

The Eagle Glen Golf Club has and will continue maintain the highest standards of cleaning, sanitation, health and safety protocols, all in accordance to Riverside County Health Code Standards.

Additionally, [first aid](#) and [hand sanitizer](#) locations are available to our Guests. Please ask a Staff member for the closest location.

The CDC recommends [everyday preventive actions](#) to help prevent the spread of respiratory illnesses like coronavirus/COVID-19, such as:

- Staying home when sick
- Washing hands often with soap and water for at least 20 seconds
- Following proper respiratory cough etiquette
- Avoiding close contact with people who are sick
- Avoiding touching eyes, nose and mouth with unwashed hands

We continue to communicate these recommendations, as well as other important health information, to our Staff Members. Also, we will continue to use every effort to deliver uninterrupted services to all of our guests.
